

**DE LA PROCESUL ECHITABIL LA DREPTUL
LA UN PROCES ECHITABIL**

Nicolae PAVEL*

Abstract :The above mentioned scientific study is structured on three sections: the first section contains a preliminary theoretical explanation on the notion concerning a fair trial in criminal and civil matters; the second section includes a fair trial approach, from the perspective of the Romanian, European and Universal standards in the field of human rights and a presentation on the component parts of the fair trial concept; the third section consists of a comparative study concerning fair trial according to the Romanian, European and Universal standards in the field of human rights.
