

VIATA CA VALOARE SOCIALĂ OCROTITĂ PRIN DISPOZIȚII PENALE

Oana Roxana IONESCU*, Ion IFRIM**

Abstract: The need for individual and social care by means of criminal law is among the most important goals of criminal law, the person being defended, both in terms of his physical integrity (life), and his moral integrity (dignity, honor, freedom, etc.). values that define the personality of the individual in any type of society.

Keywords: criminal law, life, society.
