

CONCEPTUL DE SUVERANITATE ABORDAT DIN PERSPECTIVA TEORIEI VALORILOR JURIDICE

Nicolae PAVEL*

Abstract

Addressing the concept of sovereignty of securities law theory may be motivated at least by addressing the dual sovereignty principle as a fundamental principle of constitutional and international law. From this perspective sovereignty can be guaranteed and addressed as a constitutional value that European or universal value, recognized and guaranteed. Also, scientific approach may be motivated at least the following documents from those.

Keywords: concept of sovereignty, principle of constitutional, documents.
